3. Terms and conditions

To qualify for this programme, it is required to trade in a comparable switch product as referenced in the eligible trade-in products column against a ZyXEL switch in the eligible new switches column within the table below. ZyXEL reserves the right to reject a product in case it is deemed not sufficiently comparable.

eligible trade-in products	eligible new switches
24 Port Ethernet Switches 48 Port Ethernet Switches 24 Port Gigabit Switches	ZyXEL GS2200-24 ZyXEL GS2200-48 ZyXEL XGS-4526 ZyXEL XGS-4528F

The customer agrees to fill in the COD (Certification of Destruction) stating the model name and serial number of the qualifying product. In the event that this information is not available at time of purchase the COD with the full information must be completed within 60 days or the 25% discount amount will be invoiced.

The product owner agrees to dispose of the eligible product in accordance with the local regulations.

The programme discount cannot be used in conjunction with any other discounts, rebates or promotions from ZyXEL unless otherwise stated. The discount is applied by the distributor at the point of purchase.

The discount applies to the ZyXEL switch only and is not applied to any modules, licenses or fibre transceivers ordered at the same time.

The trade-in programme is designed to work on a one for one basis. If a single switch is traded in, a single order must be placed to match. If multiple switches are traded in then the equal number of eligible switches must be ordered.

The trade-in programme is valid from 1st May 2010 to 31st October 2010.

ZyXEL reserves the right to amend the promotion at any given time.
